DISABILITY EDUCATION PROVISION

**Premier League
Primary Stars**

Premier League Primary Stars

A **free 10-week programme** for key stage 2 delivered to local Primary Schools. Teacher education programme where football is used as a vehicle for learning with the children.

Sessions are designed to allow a **focus on fundamental movement skills, problem solving and decision making skills** that can be easily transferred in other sports.

Include

Include me days!

The day will **include an interactive awareness assembly for key stage 2 students** to listen to individuals with a disability on their day to day routine.

Through the day football sessions will be run including the individuals with a disability and any SEN students to **help build the understanding of including everyone** no matter what their ability is.

For further information on the programme please contact:

move together

Move Together

A free 10-week programme for key stage 3, 4, and 5 in local schools, sixth forms and colleges.

Sessions are designed to focus on functional movement skills, hand and foot eye coordination using a range of multi-sport activities from football to racquet sports.

Sessions are adapted appropriately to the needs of the group and individuals that are taking part in the activities.

Include^{me}

Include me days!

A free 6-week programme for key stage 3 in local secondary schools.

The programme will include an interactive awareness assembly with individuals that have various disabilities discussing their day to day lives. Schools will select a group of students including 50% of the school students who are registered with a special educational need.

Football will be used as a vehicle to learn how to work as a team through problem solving, making decisions and building the confidence of everyone to feel included within the activities delivered.

Watford CSE Trust Other Tailored programmes include:

- Football or Multi Sport After school club
- Football specific programmes
- Community Sport Leader Awards training for 16 years+

For further information on the programme please contact:
