INCLUSIVE TOURNAMENTS

Herts Youth Inclusive Football bring youth inclusive teams together to play monthly friendly tournaments. HYIF also run or support events to increase awareness of inclusive football and to increase participation in football at all levels. The inclusive teams involved are all ability, girls & boys, pan-disability, ages 5 to 19.

Established in 2016, **Herts Youth Inclusive Football** (HYIF) is a Community Group run by individuals from football clubs in Herts who have an inclusive team.

We also support and mentor clubs starting inclusive sections and work with local community groups to encourage more players to join teams.

HYIF work in partnership with Watford FC CSE Trust and also work closely with Hertfordshire FA.
